

**Offer for
NEW CLIENTS**

Free first consultation

When you register with us as a new client you will receive a free first consultation. Please print this voucher and call one of our surgeries* to make an appointment.

Your voucher must be presented at the time of your appointment. This offer is only valid for 12 months and applies to new clients only. This offer is not available in conjunction with any other existing saving or discount. Any vaccinations, treatment or products will be charged at normal price. Unfortunately, we cannot provide a free consultation during the weekends, but if you would like to book an appointment during the week, please contact the surgery.
