

DNA Vetcare Group

Vet Careers

Supporting you on your journey

Are you an ambitious, conscientious but most importantly caring vet? We have some amazing opportunities to progress your career whilst working in our supportive and friendly award winning surgeries.

DNA Vetcare is committed to providing the very best in veterinary care. Our surgeries are well equipped with digital radiography, laser therapy, full orthopaedic kits and high quality Doppler ultrasound. We were also the first Group in South London to introduce keyhole surgery.

Join us and you could benefit from:

Accommodation
Sponsorship available
RCVS registered surgeries
Generous CPD allowance

Partnership possibilities
Great rota and no OOH
High quality facilities
Certificates encouraged

If you are looking for interesting and rewarding work in a busy and friendly environment please visit us at **STAND A90** for a chat about how we can support you and your career.
